(the hall is directly in front of you if you drive into the car park)

Hi all members,

We'd love to see your honey on show this year. If you're a new beekeeper or a more experienced beekeeper we'd love to see your honey on show. Sometimes it's not the honey but what you create with it. So if you have created a clever little lipbalm or cream, a mead or a biscuit, bring it along and share your skills with us. We'd love to be inspired by your expertise. Just check that you're presenting your honey as everyone else does, so follow the rules, which are attached.

Nominations are being called for our committee right now, attached is also the nomination form which needs to be returned to me by the 3rd of Aug, two weeks before the AGM.

Hoping to see you and your honey at the AGM. Yes, yours **is** 'good enough'.

Consider nominating someone or have someone nominate you for the committee. There will a nomination form online soon. Please contact a committee member if you are curious and want to find out more. On the committee we all pull together using our skills to fill the duties that help run our club that's everything from catering, accounting, communications, building, engineering, horticulture and everything inbetween. We need folks who can help out with our Field Days, experienced beekeepers to share their knowledge, looking after the bees on site. We are the caretakers of our site, that's the hives, tools, grounds, seating and sheds. So there's a place for you if you're interested. By contacting a committee member you can talk through what's involved and the part you can play, getting the nomination to me - the secretary early it's important to get it to me two weeks before - that means nominations close on Sat. the 3rd of August 2019.
